Baking Pan Coating Operation
Permit Application No. 0310429-005-AO

Dear Mr. Mouton:

The City of Jacksonville, Environmental and Compliance Department, Environmental Quality Division (Department) has determined that the above referenced application, received October 15, 2007, remains incomplete. The compliance test report for emission unit No. 001, submitted December 17, 2007, has been deemed unacceptable pursuant to EQD correspondence dated January 14, 2008 (copy attached).

The Department must receive a response from you regarding demonstration of compliance of emission unit No. 001 within twenty one (21) days of receipt of this letter, unless you (the applicant) request additional time under Rule 62-4.055(1), Florida Administrative Code (FAC), and Rule 2.1301, Jacksonville Environmental Protection Board (JEPB).

Should you have any questions, please contact Mr. Darrel Hall at (904) 630-4900.

Very truly yours,

Richard L. Robinson, P.E., Manager
Air Pollution Source Permitting Section
