Here you go, Jeff. I understand there are a couple of smaller papers in your area that meet the requirements for Public Noticing that cost a lot less than the Miami Herald if you care to check around a little. Did you see anything in the permit that will need additional attention?

Barbara,

I am presently working on issuance of the public notice for the Turkey Point Nuclear project. If you could provide me with a “word version” of the above Public Notice, it would be most appreciated. This will lessen our cost and also provide the Miami Herald with an easier format for publication purposes.

Sincerely,

Jeffrey Zuczek
