Al,

I had Ed review this project and his comments were it does not look bad. The only mistake he found of significance was the use of wrong project number in various places. I have not had a chance to review it myself, but I can do it if you see a need for it.

Thanks,
Syed

Syed. Very Preliminary documents for the Hardee Power Partners AC/AV revisions are in the following folders for review.

O:\OPC\LINERO\Electrical\Hardee\0490015 Unit CT2-B Permit Revisions\0490015-015-AV\PrelimDrafts 0490015-015-AV

And

O:\OPC\LINERO\Electrical\Hardee\0490015 Unit CT2-B Permit Revisions\0490015-016-AC\PrelimDrafts 0490015-016-AV

Can you ask someone to proof read and also make sure they are responsive to what was requested before you review?

(I think you had said you actually had planned to assign this one within your group before I was assigned by Jon.)

Thanks.

Al.
