Subject: NEW APPLICATION NO. 0610096-006-AV, INPB IRC FACILITY

Dear Applicant:

Our office has received the air pollution permit application that you submitted for the project described below:

Facility Owner/Company Name: INEOS NEW PLANET BIOENERGY
Site Name: INPB IRC FACILITY
Project Name: AB234-WASTE-TO-ETHANOL PROD.
Project Description: Initial Title V Operating Permit for a waste-to-ethanol production faclility.
Application Project No: 0610096-006-AV
Application Received Date: 12/31/2013
Permit Application Processor: David Read
Permit Application Processor Phone: 850-717-9075
Permit Application Processor Email: david.read@dep.state.fl.us

We will review the application in a timely manner and contact you soon if any additional information is needed in order to process it. To avoid formal written requests for additional information, we encourage our permit processors to contact you directly by e-mail or by phone to resolve any questions or provide missing information. Our goal is to reduce the overall time required to process your application. We appreciate your efforts to help us meet this goal by ensuring that your response to any of our questions is timely, thorough and complete. If no additional information is required from you to process the application, we will be sending you a draft of the permit for your review and comment.

If you have any questions, or if you received this email in error, please contact the Permit Application Processor listed above by phone or e-mail. You may also schedule a meeting or teleconference with the Permit Application Processor at any time during the application review process.

Best Regards,

Florida Department of Environmental Protection Division of Air Resource Management
2600 Blair Stone Road, MS. 5500
Tallahassee, FL 32399
