Re: Shady Hills Generating Station
Permit Modification No. 1010373-015-AC (PSD-FL-402B)
Extension of Permit and Authorization to Construct Two Combustion Turbines

Dear Mr. Belden:

On September 17, 2013, the Department received your request for an extension of the expiration date from July 31, 2015 to July 31, 2017 on Air Construction Permit No. 1010373-012-AC (PSD-FL-402A) for expansion of the Shady Hills Generation Station. Link to Extension Request The existing facility is located in Pasco County at 14240 Merchant Energy Way in Spring Hill, Florida. The UTM coordinates are Zone 17, 347.0 kilometers (km) East, and 3139.0 km North.

According to the application, *"this permit extension request is necessary because EFS Shady Hills LLC has not been able to commence construction due to EPA's permit processing schedule for the required greenhouse gas (GHG) Prevention of Significant Deterioration (PSD) permit. EFS Shady Hills LLC requests that the PSD permit be revised to state that construction will commence within 18 months of issuance of the final GHG PSD permit by EPA".*

Based on the circumstances and information provided, the Department hereby extends the permit through December 31, 2017. The additional time granted by this action will allow the applicant to complete physical construction of the project, conduct shakedown activities, demonstrate compliance and prepare and submit an application for a Title V Operation Permit. For the purposes of Section 2, Specific Condition 7, Source Obligation, Paragraph (a), the date of "receipt of the permit" shall be the date when the EPA GHG permit is received by the applicant.

A copy of this air construction permit extension shall be attached to Air Permit No. 1010373-015-AC (PSD-FL-402B) and shall become part of that permit.

Upon issuance of this final permit, Any party to this permitting decision (order) has the right to seek judicial review of it under Section 120.68, F.S., by filing a notice of appeal under Rule 9.110 of the Florida Rules of Appellate Procedure with the clerk of the Department of Environmental Protection in the Office of General Counsel, Mail Station #35, 3900 Commonwealth Boulevard, Tallahassee, Florida, 32399-3000, Agency.Clerk@dep.state.fl.us , and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate District Court of Appeal. The notice must be filed within 30 days after this order is filed with the clerk of the Department.
