Subject: MODIFICATION APPLICATION NO. 0810010-022-AV, MANATEE POWER PLANT

Dear Applicant:

Our office has received the air pollution permit application that you submitted for the project described below:

Facility Owner/Company Name: FLORIDA POWER & LIGHT (PMT)
Site Name: MANATEE POWER PLANT
Project Name: AB375: MATS/ASP/COMS/MISC
Project Description: The purpose of this application is five-fold: To incorporate the Manatee GE.04 project AC application (0810010-020-AC) into the current Title V permit; Incorporate applicable language regarding the Mercury and Air Toxics (MATS) rule and Major Source Industrial Boiler MACT rule; revise testing language to match the March 9th , 2015 effective FL Rule 62-297 FAC revisions; Include the ability to utilize an Alternate Sampling Procedure (ASP) for ammonia slip testing granted in a letter from the Dept. on March 18, 2015; and to memorialize FPL?s ability to remove the Continous Opacity Monitoring Systems (COMS) from Units 1 and 2 provided certain condition(s) are continually met. Attached to this application are FPL?s proposed revisions to the permit as well as the March 18th letter from the Department granting the ASP for ammonia slip testing.
Application Project No: 0810010-022-AV
Application Received Date: 04/01/2015
Permit Application Processor: Yousry Attalla
Permit Application Processor Phone: 850-717-9078
Permit Application Processor Email: Yousry.Attalla@dep.state.fl.us

We will review the application in a timely manner and contact you soon if any additional information is needed in order to process it. To avoid formal written requests for additional information, we encourage our permit processors to contact you directly by e-mail or by phone to resolve any questions or provide missing information. Our goal is to reduce the overall time required to process your application. We appreciate your efforts to help us meet this goal by ensuring that your response to any of our questions is timely, thorough and complete. If no additional information is required from you to process the application, we will be sending you a draft of the permit for your review and comment.

If you did not include a full payment for this application's fees and would like to make an online payment for the outstanding balance, please visit the DEP Business Portal - https://www.fldepportal.com - and complete the online payment process for a submitted application. Please note that the following fee types may not be completed through this process:

* Payments for annual fees
* Payments for non-Title V Air General Permits

* Payments processed by a local delegated program
* Partial payments for application balances

If you have any questions, or if you received this email in error, please contact the Permit Application Processor listed above by phone or e-mail. You may also schedule a meeting or teleconference with the Permit Application Processor at any time during the application review process.

Best Regards,

Florida Department of Environmental Protection
Division of Air Resource Management
