Subject: MODIFICATION APPLICATION NO. 0890003-046-AC, FERNANDINA BEACH MILL

Dear Applicant:

Our office has received the air pollution permit application that you submitted for the project described below:

Facility Owner/Company Name: ROCK TENN CP, LLC
Site Name: FERNANDINA BEACH MILL
Project Name: AB309, SULFUR DIOXIDE EMISSION
Project Description: This air construction permit application is being submitted to authorize the operational and equipment changes necessary to implement a Boiler Optimization Project at the Fernandina Beach pulp and paperboard mill. This project is designed to: 1) optimize and improve redundancy in the facility; management of regulated, non-condensable pulping gases, 2) improve the combustion efficiency and performance of the facility; recovery boilers, and 3) reduce overall sulfur dioxide (SO2) emissions from the mill.
Application Project No: 0890003-046-AC
Application Received Date: 07/07/2014
Permit Application Processor: David Read
Permit Application Processor Phone: 850-717-9075
Permit Application Processor Email: david.read@dep.state.fl.us

We will review the application in a timely manner and contact you soon if any additional information is needed in order to process it. To avoid formal written requests for additional information, we encourage our permit processors to contact you directly by e-mail or by phone to resolve any questions or provide missing information. Our goal is to reduce the overall time required to process your application. We appreciate your efforts to help us meet this goal by ensuring that your response to any of our questions is timely, thorough and complete. If no additional information is required from you to process the application, we will be sending you a draft of the permit for your review and comment.

If you did not include a full payment for this application's fees and would like to make an online payment for the outstanding balance, please visit the DEP Business Portal - https://www.fldepportal.com - and complete the online payment process for a submitted application. Please note that the following fee types may not be completed through this process:

* Payments for annual fees
* Payments for non-Title V Air General Permits
* Payments processed by a local delegated program
* Partial payments for application balances

If you have any questions, or if you received this email in error, please contact the Permit Application Processor listed above by phone or e-mail. You may also schedule a meeting or teleconference with the Permit Application Processor at any time during the application review process.

Best Regards,

Florida Department of Environmental Protection
Division of Air Resource Management
2600 Blair Stone Road, MS. 5500
