Subject: MODIFICATION APPLICATION NO. 0010001-014-AC-PSD-181C, U OF FL COGEN

Dear Applicant:

Our office has received the air pollution permit application that you submitted for the project described below:

Facility Owner/Company Name: DUKE ENERGY FLORIDA, INC.
Site Name: U OF FL COGEN
Project Name: AB263-STEAM BOILER-PSD-181C
Project Description: This application is for an air construction permit application for the construction of a steam boiler to replace the existing Boiler No. 4 (EU 002) to support the steam load requirements of the University of Florida. UF is planning to replace Boiler No. 4 (permitted at 69.6 million British thermal units per hour [mmBtu/hr] and 40,000 pounds per hour [lb/hr] of steam) with a new boiler with a heat input of 99.9 mmBtu/hr and capacity to produce approximately 78,500 lb/hr of steam. UF will purchase and install the boiler, and Duke Energy Florida (DEF) will permit an operate the boiler.
Application Project No: 0010001-014-AC

We will review the application in a timely manner and contact you soon if any additional information is needed in order to process it. To avoid formal written requests for additional information, we encourage our permit processors to contact you directly by e-mail or by phone to resolve any questions or provide missing information. Our goal is to reduce the overall time required to process your application. We appreciate your efforts to help us meet this goal by ensuring that your response to any of our questions is timely, thorough and complete. If no additional information is required from you to process the application, we will be sending you a draft of the permit for your review and comment.

If you have any questions, or if you received this email in error, please contact the Permit Application Processor listed above by phone or e-mail. You may also schedule a meeting or teleconference with the Permit Application Processor at any time during the application review process.

Best Regards,
