Barbara or Lynn,

Please designate Joe Attalla as the primary processor and Jonathan as the peer reviewer for the FPL Martin Title V renewal project which has a concurrent AC application. The project numbers are 0850001-032-AC and 0850001-033-AV. Please make the necessary changes in the ARMS as well.

Joe – Please get with David and get all the documents and a briefing on all the work that he done on the project.

Let me know if there are any questions.

Thanks,
Syed
