Initial Title V Air Operation Permit
PROPOSED Permit No.: 0310530-002-AV

This Title V Air Operation Permit is issued under the provisions of Chapter 403, Florida Statutes (FS), and Florida Administrative Code (FAC) Chapters 62-4, 62-210 and 62-213. The above named permittee is hereby authorized to operate the facility shown on the application and approved drawing(s), plans, and other documents, attached hereto or on file with the permitting authority, in accordance with the terms and conditions of this permit.

This facility manufactures fiberglass, metal and insulation products. Enclosures are manufactured to protect and insulate water utility systems equipment such as valves, pumps and backflow devices. Operations consist primarily of a lamination/gel coating area, grinding/trimming booths, metal fabrication shop, and expanding foam application booth. Fiberglass and resin are applied by hand or (primarily) spray layup techniques.

E.U. ID No.	**Brief Description**	
001	Fiberglass Products Manufacturing -	Enclosures are manufactured to protect and insulate water utility systems equipment. Operations consist primarily of a lamination/gel coating area, grinding/trimming booths, metal fabrication shop, and expanding foam application booth. Fiberglass and resin are applied by hand or (primarily) spray layup techniques. Compliance Assurance Monitoring (CAM) does not apply.

Also included in this permit are miscellaneous insignificant emissions units and/or activities.

Based on the Title V Air Operation Permit application received January 27, 2005, this facility is a major source of hazardous air pollutants (HAPs).
