Re: Title V Air Operation Permit Revision
PROPOSED Permit Project No.: 1130004-021-AV
Revision to Title V Air Operation Permit No.: 1130004-018-AV
Taminco Pace Plant

Dear Mr. Brumfield:

One copy of the "PROPOSED Determination" for the Title V Air Operation Permit Revision for the Taminco Pace Plant located at 4575 Highway 90 East in Pace, Santa Rosa County, is enclosed. This letter is a courtesy to inform you that the DRAFT Permit has become a PROPOSED Permit.

An electronic version of this determination has been posted on the Division of Air Resources Management's world wide web site for the United States Environmental Protection Agency (USEPA) Region 4 office's review. The web site address is: http://www.dep.state.fl.us/air/eproducts/apds/default.asp

Pursuant to Section 403.0872(6), Florida Statutes, if no objection to the PROPOSED Permit is made by the USEPA within 45 days, the PROPOSED Permit will become a FINAL Permit no later than 55 days after the date on which the PROPOSED Permit was mailed (posted) to USEPA. If USEPA has an objection to the PROPOSED Permit, the FINAL Permit will not be issued until the permitting authority receives written notice that the objection is resolved or withdrawn.

If you have any questions, please contact the Project Engineer, Howard Ard, by telephone at 850.595.0622 or by e-mail at howard.ard@dep.state.fl.us.

Sincerely,

J. C. Harp
