Subject: Appendix RR--"RR1 Reporting Schedule" referencing the "Semi-Annual Monitoring Report"

Jeff & Ed,

I reviewed the drafts/proposals associated with the Public Notice. All looks good. I only noticed the following minor item: "Semi-Annual Monitoring Report" is listed under RR1 Report Schedule Table of Appendix RR for draft Title V Permit No, 0090093-016-AV (Merritt Island Complex), but the "Semi-Annual Monitoring Report" is identified as "Not Applicable" under RR1 Reporting Schedule Table of Appendix RR for draft Title V Permit No. 00900238-002-AV (Cape Canaveral plant). ***If the Semi-Annual Monitoring Report remains listed for Appendix RR for Title V Permit No. 0090093-016-AV, it would be beneficial to list the due dates for the "first semi-annual" & "second semi-annual" reports***. See below:

Semi-Annual Monitoring Report	Every 6 months (1st semi-annual due Month/Day and 2nd semi-annual due Month/Day)	RR4

I apologize for not point out this matter in earlier e-mail regards to the Title V Permit No. 0090093-016-AV.

Thank you,
