Project No. 1130031-011-AC
QUIKRETE Milton Facility
Minor Source After-the-Fact Air
Construction Permit
Project Name: Packaging Line Modification
Santa Rosa County, Florida

PROJECT DESCRIPTION

This after-the-fact air construction permit authorizes a modification to construction permit 1130031-009-AC for installing equipment necessary to add a cement packer to line #2.

The Department's full review of the project and rationale for issuing the draft permit is provided in the Technical Evaluation and Preliminary Determination.

I HEREBY CERTIFY *that the air pollution control engineering features described in the above referenced application and subject to the proposed permit conditions provide reasonable assurance of compliance with applicable provisions of Chapter 403, Florida Statutes, and Florida Administrative Code Chapters 62-4 and 62-204 through 62-297. However, I have not evaluated and I do not certify any other aspects of the proposal (including, but not limited to, the electrical, mechanical, structural, hydrological, geological, and meteorological features).*
