Subject: MODIFICATION APPLICATION NO. 0170004-047-AC, CRYSTAL RIVER POWER FOSSIL PLANT

Dear Applicant:

Our office has received the air pollution permit application that you submitted for the project described below:

Facility Owner/Company Name: DUKE ENERGY FLORIDA, INC. (DEF)
Site Name: CRYSTAL RIVER POWER FOSSIL PLANT
Project Name: AB312: CCC PROJECT
Project Description: DEF?s proposed CCC Project will involve the construction and operation of a new nominal 1,640-megawatt (MW) electric generating power plant and directly associated facilities on an approximately 400-acre Site in Citrus County. The Site is located adjacent to the eastern property boundary of DEF?s existing CREC and adjacent to the north of the DEF-owned approximately 1,330-foot-wide transmission line and road corridor running east from CREC. The power plant will consist of four Mitsubishi 501GAC combustion turbines (CTs) with heat recovery steam generators (HRSGs) and two steam turbines arranged in a two-on-one configuration. Each power block will be rated for a nominal 820 MW. Construction activities for the Project are scheduled to begin in February 2016, and commercial operation is scheduled for May 2018 for the first power block and December 2018 for the second power block.
Application Project No: 0170004-047-AC
Application Received Date: 08/01/2014
Permit Application Processor: Al Linero
Permit Application Processor Phone: 850-717-9076
Permit Application Processor Email: Alvaro.Linero@dep.state.fl.us

We will review the application in a timely manner and contact you soon if any additional information is needed in order to process it. To avoid formal written requests for additional information, we encourage our permit processors to contact you directly by e-mail or by phone to resolve any questions or provide missing information. Our goal is to reduce the overall time required to process your application. We appreciate your efforts to help us meet this goal by ensuring that your response to any of our questions is timely, thorough and complete. If no additional information is required from you to process the application, we will be sending you a draft of the permit for your review and comment.

If you did not include a full payment for this application's fees and would like to make an online payment for the outstanding balance, please visit the DEP Business Portal - https://www.fldepportal.com - and complete the online payment process for a submitted application. Please note that the following fee types may not be completed through this process:

* Payments for annual fees
* Payments for non-Title V Air General Permits

* Payments processed by a local delegated program
* Partial payments for application balances

If you have any questions, or if you received this email in error, please contact the Permit Application Processor listed above by phone or e-mail. You may also schedule a meeting or teleconference with the Permit Application Processor at any time during the application review process.

Best Regards,

Florida Department of Environmental Protection
Division of Air Resource Management
