Site Name: MIAMI CEMENT PLANT
Project Name: OXYGEN ENRICHMENT TRIAL
Project Description: OXYGEN ENRICHMENT TRIAL
Application Project No: 0250014-048-AC
Application Received Date: 08/29/2013
Permit Application Processor: Jeffery Koerner
Permit Application Processor Phone: 850-717-9083
Permit Application Processor Email: jeff.koerner@dep.state.fl.us

We will review the application in a timely manner and contact you soon if any additional information is needed in order to process it. To avoid formal written requests for additional information, we encourage our permit processors to contact you directly by e-mail or by phone to resolve any questions or provide missing information. Our goal is to reduce the overall time required to process your application. We appreciate your efforts to help us meet this goal by ensuring that your response to any of our questions is timely, thorough and complete. If no additional information is required from you to process the application, we will be sending you a draft of the permit for your review and comment.

If you have any questions, or if you received this email in error, please contact the Permit Application Processor listed above by phone or e-mail. You may also schedule a meeting or teleconference with the Permit Application Processor at any time during the application review process.

Best Regards,
