Mike, Please confirm receipt of the below email for Ms. Friday.

This email and attachments are the final Title V documents that have been expected. This final Title V accompanies the FDEP Air Construction permit that authorized the NGS biomass increase, NGS removal of mercury requirements, and SJRPP one tower operation.

As always, please do not hesitate to contact me if you have any questions. Thanks, Jay

Florida has a very broad Public Records Law. Virtually all written communications to or from State and Local Officials and employees are public records available to the public and media upon request. JEA does not differentiate between personal and business e-mails. E-mail sent on the JEA system will be considered public and will only be withheld from disclosure if deemed confidential pursuant to State Law. Under Florida law, e-mail addresses are public records. If you do not want your e-mail address released in response to a public-records request, do not send electronic mail to this entity. Instead, contact JEA by phone or in writing.
