Subject: NEW APPLICATION NO. 0630011-015-AC, GRACEVILLE,FL SAWMILL

Dear Applicant:

Our office has received the air pollution permit application that you submitted for the project described below:

Facility Owner/Company Name: REX LUMBER, LLC
Site Name: GRACEVILLE,FL SAWMILL
Project Name: AC026: EXHAUST/BURN (PSD-431)
Project Description: The facility request authorization to change Kiln 3 to a 40/60/40 configuration that will utilize what is currently Kiln 4 `s burner rather than the existing Kiln 3 burner (both existing burners are the same size)the changes to the kiln will also include the installation of exhaust stacks and fans which will allow for some of the current exhaust gasses to be directed up stacks. Kiln 3`s rating will change to 67,000 MBF/yr. The facility also request authorization to change the existing Kiln 4 to a 58/88/58 design and install a new 35 MMBTU/Hr. burner to service it. The facility also request authorization to install a new fuel silo to supply the new burner. Kiln 4 will also be equipped with new stacks and fans. Kiln 4`s rating will change to 97,000 MBF/yr. The controls on the burners will be upgraded to current standards. The facility also request authorization to install an additional debarker, bark bin,

and an additional 3 saw bucking system.
Application Project No: 0630011-015-AC
Application Received Date: 03/03/2015
Permit Application Processor: Scott Sheplak
Permit Application Processor Phone: 850-717-9074
Permit Application Processor Email: Scott.Sheplak@dep.state.fl.us

We will review the application in a timely manner and contact you soon if any additional information is needed in order to process it. To avoid formal written requests for additional information, we encourage our permit processors to contact you directly by e-mail or by phone to resolve any questions or provide missing information. Our goal is to reduce the overall time required to process your application. We appreciate your efforts to help us meet this goal by ensuring that your response to any of our questions is timely, thorough and complete. If no additional information is required from you to process the application, we will be sending you a draft of the permit for your review and comment.

If you did not include a full payment for this application's fees and would like to make an online payment for the outstanding balance, please visit the DEP Business Portal - https://www.fldepportal.com - and complete the online payment process for a submitted application. Please note that the following fee types may not be completed through this process:

* Payments for annual fees
* Payments for non-Title V Air General Permits
* Payments processed by a local delegated program
* Partial payments for application balances

If you have any questions, or if you received this email in error, please contact the Permit Application Processor listed above by phone or e-mail. You may also schedule a meeting or teleconference with the Permit Application Processor at any time during the application review process.

Best Regards,

Florida Department of Environmental Protection
