Re: Initial Title V Air Operation Permit
PROPOSED Permit No.0510033-008-AV
H & H Clewiston Facility

Dear Hacht:

One copy of the PROPOSED permit determination for the Initial Title V air operation permit for the H & H Clewiston Facility located in Hendry County at 3013 Evercane Road, is enclosed. This letter is only a courtesy to inform you that the draft permit has become a PROPOSED permit.

An electronic version of this determination has been posted on the Division of Air Resource Management's world wide web site for the United States Environmental Protection Agency (USEPA) Region 4 office's review. The web site address is: http://www.dep.state.fl.us/air/emission/apds/default.asp.

Pursuant to Section 403.0872(6), Florida Statutes, if no objection to the PROPOSED permit is made by the USEPA within 45 days, the proposed permit will become a FINAL permit no later than 55 days after the date on which the PROPOSED permit was mailed (posted) to USEPA. If USEPA has an objection to the PROPOSED permit, the final permit will not be issued until the permitting authority receives written notice that the objection is resolved or withdrawn.

If you have any questions, please contact the Project Engineer, Carter B. Endsley, P.E, by telephone at (239) 344-5637 or by email at Carter.Endsley@DEP.STATE.FL.US.

Sincerely,

Jon M. Iglehart
Director of District Management
