Re: PROPOSED Title V Permit No. **1030011-009-AV**
P.L. Bartow Power Plant

Dear Mr. Sideris:

One copy of the PROPOSED Title V Air Operation Permit Renewal for the P.L. Bartow Power Plant located at 1601 Weedon Island Drive, St. Petersburg, Pinellas County, is enclosed. This letter is only a courtesy to inform you that the DRAFT permit renewal has become a PROPOSED permit renewal.

An electronic version of this determination has been posted on the Division of Air Resource Management's world wide web site for the United States Environmental Protection Agency (U.S. EPA) Region 4 office's review. The web site address is:

http://www.dep.state.fl.us/air/permitting.htm

Pursuant to Section 403.0872(6), Florida Statutes, if no objection to the PROPOSED permit renewal is made by the USEPA within 45 days, the PROPOSED permit renewal will become a FINAL permit renewal no later than 55 days after the date on which the PROPOSED permit renewal was mailed (posted) to USEPA. If USEPA has an objection to the PROPOSED permit renewal, the FINAL permit renewal will not be issued until the permitting authority receives written notice that the objection is resolved or withdrawn. If you have any questions, please contact Syed Arif at 850/921-9528.

Sincerely,

Trina L Vielhauer

Trina L. Vielhauer, Chief
Bureau of Air Regulation
