Re: New Wales Facility
Proposed Permit No. 1050059-104-AV, Title V Air Operation Permit Revision

Dear Mr. Kline:

One copy of the Proposed Permit Determination for the revision of the Title V air operation permit for the New Wales Facility located at 3095 Highway 640 in Mulberry, Polk County, is enclosed. This letter is only a courtesy to inform you that the draft permit has become a proposed permit.

An electronic version of this determination has been posted on the Division of Air Resource Management's World Wide Web site for the United States Environmental Protection Agency (U.S. EPA) Region 4 office's review. Interested persons may view the proposed permit by visiting the following website: https://fldep.dep.state.fl.us/air/emission/apds/default.asp and entering the permit number shown above.

Pursuant to Section 403.0872(6), Florida Statutes, if no objection to the proposed Title V air operation permit is made by the U.S. EPA within 45 days, the proposed permit will become a final permit no later than 55 days after the date on which the proposed permit was mailed (posted) to U.S. EPA. If U.S. EPA has an objection to the proposed permit, the final permit will not be issued until the permitting authority receives written notice that the objection is resolved or withdrawn.

If you have any questions, please contact Mr. Scott M. Sheplak, CPM, P.E. by telephone at 850/717-9074 or by email at scott.sheplak@dep.state.fl.us.

Executed in Tallahassee, Florida.

PROJECT

Proposed Permit No. 1050059-104-AV
New Wales Facility

The purpose of this project is to revise the Title V air operation permit for the above referenced facility.

This Title V air operation permit was processed using a sequential review.

PUBLIC NOTICE

A Written Notice of Intent to Issue Air Permit issued to Mosaic Fertilizer, LLC for the New Wales Facility located at 3095 Highway 640 in Mulberry, Polk County, was clerked on May 22, 2017.

The Public Notice of Intent to Issue Air Permit was published in The Ledger on June 2, 2017. The draft Title V air operation permit was available for public inspection at the permitting authority's office in Tallahassee. Proof of publication of the Public Notice of Intent to Issue Air Permit was received on June 6, 2017.

U.S. EPA REVIEW

The Department informed the U.S. EPA Region 4 Office that this Title V air operation permit was being processed using a sequential review by virtue of the draft permit being issued on May 22, 2017.

COMMENTS

No comments on the permit were received from the public or Applicant during the 30-day public comment period.

CONCLUSION

The permitting authority hereby issues the Proposed Permit No. 1050059-098-AV.
