PROJECT

Air Permit No. 0990005-037-AC
Minor Source Air Construction Permit.

Okeelanta Sugar Mill, Refinery,
and Transshipment Facility.

This project is to add four (4) additional sugar packaging lines (Packaging Lines No. 16, 17, 18 and 19), to be located in Warehouse No. 3. (One (1) of these packaging lines is actually the existing packaging line No. 5 located in the Transshipment Facility which is to be relocated to Warehouse No. 3. It will be replaced in the Transshipment Facility by a brown sugar packaging line of the same capacity and it will be re-designated as Packaging Line No. 5).

NOTICE AND PUBLICATION

The Department distributed a draft minor source air construction permit package on November 14, 2013. The applicant published the Public Notice in the Palm Beach Post on November 20, 2013. The Department received the proof of publication on December 4, 2013. No requests for administrative hearings or requests for extensions of time to file a petition for administrative hearing were received.

COMMENTS

No comments on the Draft Permit were received from the public, the Local Air Program, the Department's Name District Office, the EPA Region 4 Office.

Comments were received from the Applicant's engineer on December 2, 2013. The following summarizes the comments and the Department's response.

1. The comments included the request to use the term "Okeelanta Sugar Mill, Refinery, and Transshipment Facility" as the proper complete name to be used for the facility. Remaining comments included minor typo corrections, deleting their references to permits 0990005-021 AC, 027-AC and 035-AC and correction of an email address.

Response: The above changes and/or corrections are made to the permit.

CONCLUSION

The final action is to issue the permit with the minor changes, corrections and clarifications as described above.
