

## FINAL DETERMINATION

---

### PERMITTEE

Pierce Manufacturing, Inc.  
P.O. Box 2017  
Appleton, WI 54912-2017

### PERMITTING AUTHORITY

Florida Department of Environmental Protection  
Air Resource Management  
Southwest District  
13051 North Telecom Parkway  
Temple Terrace, Florida 33637-7600

### PROJECT

Air Permit Nos. 1030556-001-AC and 1030556-002-AO  
Minor Air Construction and Operation Permits  
Frontline Communications  
Trailer and Custom Modular Body Manufacturer

### NOTICE AND PUBLICATION

The Permitting Authority distributed a draft minor air construction and operation permit package on October 30, 2013. The applicant published the Public Notice in the Business Observer on November 8, 2013. The Permitting Authority received the proof of publication on November 15, 2013. No requests for administrative hearings or requests for extensions of time to file a petition for administrative hearing were received.

### COMMENTS

No comments on the draft permits were received from the public or the Pinellas County Air Quality Division (PCAQD).

### Applicant

On November 21, 2013, the Permitting Authority received comments from the applicant. The following summarizes the comments and the Permitting Authority's response.

1. Frontline Communications requested that the reference to adhesives in Specific Condition No. A.9. be removed from the final permit and that the requirements concerning the maintenance of daily adhesive usage records be stricken from the final permit.

*Response:* After coordinating with Pinellas County Air Quality Division, we agree with Frontline's comment, and the reference to adhesives in Specific Condition No. A.9. was removed from the Final Permit. Requiring them to maintain daily records of adhesive use would be unduly burdensome, is not necessary to demonstrate compliance with any provisions of the Draft Permit, and would not result in any incremental environmental benefit.

### CONCLUSION

The changes that have been made are insignificant in nature and do not impose additional public noticing requirements. The permitting authority hereby issues the FINAL Permit, with any changes noted above.
