Dear Mr. Mills:

The permit mailed to you on March 29, 2000 for your Milton Asphalt Concrete Plant contained errors. The permit and emissions unit identification numbers were incorrect. The correct permit number is 1130015-001-AO; the correct emission unit identification number is 002.

We have enclosed corrected pages for your files. Please hand-correct the signature page of your permit, and replace the remaining pages with those enclosed. We apologize for any inconvenience this may cause.

If you have any questions or comments, please contact Bob Kriegel at 595-8364, extension 1231.

Sincerely,

Andrew S. Allen
