**NOTICE OF CHANGE OF THE TITLE V AIR OPERATION PERMIT'S EXPIRATION DATE**

In the Matter of a Request for a  
Change in the Permit's Expiration Date:

Jeffrey Empfield  
Chief of Engineering  
Boca Raton Regional Hospital  
800 Meadows Road  
Boca Raton, FL 33486

DEP Permit No.: 0990119-007-AV <b>Palm Beach County</b>
--

This is a notification that the Palm Beach County Health Department has changed the expiration date of the above referenced Title V Air Operation Permit to March 09, 2011. The original expiration date of this permit is October 01, 2013. This change in the expiration date is based on your request received February 28, 2011. The changed expiration date is the same date of the site visit made by an inspector on March 09, 2011, which verified that the Hospital Waste incinerator located at the facility was closed for business and the facility no longer requires a Title V Air Operation Permit.

The request stated that the incinerator at Boca Raton Regional Hospital was shutdown since May 5, 2010.

Also, there is a requirement that the Responsible Official submit a Statement of Compliance within 60-days of permanent shutdown at Rule 62-213.440(3)(a)2.b., F.A.C., which, in this case, is being clocked from March 09, 2011.

This change in the expiration date will take effect fourteen (14) days from the clerking date unless a timely petition for an administrative hearing is filed pursuant to Sections 120.569 and 120.57, Florida Statutes (F.S.). The procedures for petitioning for a hearing are set forth below.

A person whose substantial interests are affected by the proposed agency action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed (received) in the Palm Beach County Health Department Legal Office, located at 800 Clematis Street in West Palm Beach, Florida, 33402 (Telephone: (561) 837-5900, Fax (561) 837-5295). Petitions filed by the owner or operator or any of the parties listed below must be filed within fourteen (14) days of receipt of this notice. Petitions filed by any persons other than those entitled to written notice under Section 120.60(3), F.S., must be filed within fourteen (14) days of receipt of this notice. Under Section 120.60(3), F.S., however, any person who asked the Department for notice of agency action may file a petition within fourteen (14) days of receipt of that notice. A petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and

participate as a party to it. Any subsequent intervention will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

A petition that disputes the material facts on which the Department's action is based must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address, and telephone number of the petitioner, the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests will be affected by the agency determination; (c) A statement of how and when petitioner received notice of the agency action or proposed action; (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the agency's proposed action; (f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the agency's proposed action; and (g) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts upon which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Department's final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of the Department have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation is not available in this proceeding.

#### **NOTICE OF APPEAL RIGHTS**

Any party to this order (permit) has the right to seek judicial review of the permit (letter) pursuant to Section 120.68, F.S., by the filing of a Notice of Appeal pursuant to Rule 9.110, Florida Rules of Appellate Procedure, with the Clerk of the Department in the Legal Office; and, by filing a copy of the Notice of Appeal accompanied by the applicable filing fees with the appropriate District Court of Appeal. The Notice of Appeal must be filed within 30 (thirty) days from the date this Notice is filed with the Clerk of the Department.
