

FINAL DETERMINATION

PERMITTEE

Suwannee American Cement, L.L.C.
5117 US Highway 27
Branford, Florida 32008

PERMITTING AUTHORITY

Florida Department of Environmental Protection
Air Resource Section
Northeast District Office
8800 Baymeadows Way West, Suite 100
Jacksonville, Florida 32256

PROJECT

Air Permit No. 121465-029-AC
Minor Source Air Construction Permit
Branford Cement Plant

Air construction permit, which authorizes the installation at EU001 of a Portable Crusher powered by a nonroad compression-ignition 85 HP Maddox diesel engine with associated equipment: a hopper and a stacker belt; and a Mobile Screener powered by a nonroad compression-ignition 180 HP Cat C6.6 diesel engine with an attached hopper and associated conveyors to be located in the quarry.

NOTICE AND PUBLICATION

The Department distributed a draft minor source air construction permit package on May 16, 2013. The applicant published the Public Notice in the Suwannee Democrat on May 31, 2013. The Department received the proof of publication on May 31, 2013.

COMMENTS

No comments on the Draft Permit were received from the public, the Local Air Program, the Department's Northeast District Office, the EPA Region 4 Office or the applicant.

Minor correction was made to page 5 of the permit, in SECTION 2. ADMINISTRATIVE REQUIREMENTS (FINAL). The corrected wording appears below in double underline:

1. Permitting Authority & Compliance: The permitting authority for this project is the Northeast District Office, Florida Department of Environmental Protection (Department). The compliance authority for this project is the Northeast District Compliance Assurance, Florida Department of Environmental Protection. The Northeast District's mailing address is 8800 Baymeadows Way West, Suite 100, Jacksonville, Florida 32256. The Northeast District's telephone number is (904) 256-1700. All documents related to applications for permits to operate an emissions unit shall be submitted to the Northeast District. All documents related to compliance activities such as reports, tests, and notifications shall be submitted to the Northeast District Office.

CONCLUSION

The final action is to issue the permit with the minor changes, corrections and clarifications as described above.
