Re: Administrative Correction
DEP Project File No.: 1270166-009-AV

Dear Mr. Truslow:

On October 2, 2012, the Department received a letter submitted electronically from Tom T. John, P.E., requesting an administrative correction to Title V Air Operation Permit No. 1270166-008-AV for EdgeWater Power Boats, LLC, located in Volusia County at 211 Dale Street, in Edgewater, Florida. This administrative correction is requested to correct a typo in the final permit. This correction is issued pursuant to Rule 62-210.360, Florida Administrative Code (F.A.C.), and Chapter 403, Florida Statutes (F.S.).

Administrative Correction:

Section III, Emissions Units and Specific Conditions, Subsection A. Emission Unit 001, Condition No. **A.1.**, page no. 5 of 51 of the permit, is changed as follows:

From: **A.1.** Hours of Operation This emissions unit may only operate 2,080 hours/year. [Rule 62-210.200(PTE), F.A.C.; and proposed by applicant in Title V air operation permit renewal application received March 11, 2011]

To: **A.1.** Hours of Operation This emissions unit may operate 8,760 hours/year. [Rule 62-210.200(PTE), F.A.C.; and proposed by applicant in Title V air operation permit renewal application received March 11, 2011]

A petition that does not dispute the material facts upon which the Permitting Authority's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

NOTICE OF ADMINISTRATIVELY CORRECTED PERMIT

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the permitting authority's final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of the permitting authority on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation is not available in this proceeding.

This Order is final and effective on the date filed with the Clerk of the Department unless a timely petition for an administrative hearing is filed pursuant to Sections 120.569 and 120.57, F.S. or unless a request for an extension of time in which to file a petition is filed within the time specified for filing a petition. Upon timely filing of a petition or a request for an extension of time to file the petition, this permit amendment will not be effective until further Order of the Department.

Any party to this Order (Administratively Corrected Permit) has the right to seek judicial review of the Order pursuant to Section 120.68, F.S., by the filing of a Notice of Appeal under Rule 9.110 of the Florida rules of Appellate Procedure, with the clerk of the Department of Environmental Protection in the Office of General Counsel, Douglas Building, Mail Station 35, 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000; and by filing a copy of the Notice of Appeal accompanied by the applicable filing fees with the appropriate District Court of Appeal. The Notice of Appeal must be filed within 30 days after this Order is filed with the Clerk of the Department.

This letter must be attached to and becomes a part of Title V Air Operation Permit No. 1270166-008-AV. If you have any questions, please call permit engineer, Jeffrey Rustin, at (407) 897-2930.

Executed in Orange County, Florida.
