Subject: Records for Citrusuco (1050001)

Good morning,

Can you please send me the records that I requested last Wednesday (3/21)? I am trying to finalize my inspection report. As a reminder, I need the following:

- Heat input records for the two dryers and three boilers for the last couple of years.
- Fruit throughput records for the last couple of years.
- VOC (oil recovery) records for 2010 and 2011.
- PM emissions records for the dryers.

Thanks,

Nedin Bahtic
