COMMENTS: On January 18, 2013, Department personnel conducted a routine air permit compliance inspection of Allied Waste surface coating facility located in Escambia County. The facility's Operations Manager, Mr. Bryan Franks, was available to assist during the inspection.

Surface coating of waste containers was occurring at the time of the inspection. No fugitive emissions or objectionable odors were observed.

Records of material usage are being maintained onsite and were made available for inspection. Currently, the facility is using water-based enamel paints. No solvents or thinners are used in the process.
