Mr. Mike Evers, Owner  
MAACO Collision & Body Repair  
189 West Burgess Road  
Pensacola, Florida 32503

Dear Mr. Evers:

On May 4, 2011, a Department representative with the Air Resource Management Program inspected your facility, ID 0330123. A copy of the inspection report is enclosed. The inspection and a review of Department records indicate the facility was in compliance at the time of the inspection for those items specifically noted in the inspection report. Please note that authority to operate this facility expires on June 3, 2012. To avoid lapse of authority to operate, an owner or operator intending to continue to use an air general permit must submit the proper registration form and processing fee at least 30 days prior to expiration of the facility's existing air operation permit or air general permit.

This letter applies only to activities covered by the Air Resource Management Program. If you have any questions, please contact Jennifer Waltrip at 850/595-0662 or [jennifer.waltrip@dep.state.fl.us](mailto:jennifer.waltrip@dep.state.fl.us).

Sincerely,

A handwritten signature in cursive script that reads 'Carol Melton'.

**COMMENTS:** On May 4, 2011 Department personnel conducted the annual air program compliance inspection at Maaco Auto Painting in Escambia County. Mr. Jeff Uher and Mr. Mike Evers were available to assist during the inspection. Mr. Uher led a tour of the facility which appeared to be operating in compliance with the permit. Mr. Evers made monthly records of volatile organic compound (VOC) emissions available to Department personnel. Records were reviewed from September 2010 to April 2011. The month with the highest average daily VOC emission was September 2010 with 25.14 lbs/day.
