To: Panetta, Joe
Subject: Cemex Arcadia RM ID# 0270004

Mr. Panetta,

As per our earlier conversation, please be advised that the Cemex Arcadia RM Facility ID# 0270004 has been closed since January 2010. This facility was inadvertently left off of the last closure list that I submitted to Ms. Danielle Henry. Should the status of this facility change in the future, your office will be promptly notified and visual emissions testing will be conducted within 30 days of re-opening.

If there are any questions or concerns, please feel free to contact me.

Regards,

Jason P. Jones

Closed Facilities
Southwest District

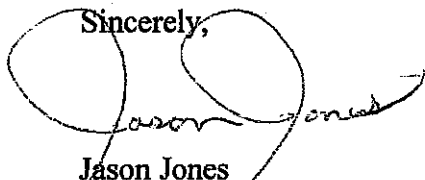

ARMS UPDATED
1/6/2011 J.S.K.

Dear Ms. Henry,

As per our conversation, please be advised that following facilities are currently closed and as a result emissions' testing has not been conducted in 2010. Should the operational status of any of these facilities change, your office will be promptly notified and VE testing will be conducted at that time.
