**COMMENTS:** On March 02, 2010 I visited this facility to conduct the annual compliance inspection. On site I met Mr.Arsides Rodriguez, the plant manager. The silos were not being loaded at the time of inspection and there no visible emissions. An FNOV was issued for 1) Expired Entitlement and 2) Overdue Visible Emissions Tests. I spoke to Mr.Luis Espinosa, the consultant of the facility regarding the FNOV.
