Donnie Alford Vice President Operations Terminal Service Company, Inc. 2778 West Tharpe Street Tallahassee, Florida 32302

Dear Mr. Alford:

A Department representative inspected your facility to determine compliance with the Air Quality Operating Permit. The Air Program identification number for this facility is **0730052**. Your facility permit <u>expires on March 26, 2012</u>. This letter applies only to activities covered by the Air Resource Management Program.

Based on the facility inspection results, the Tallahassee Branch Office reported a status of <u>In-Compliance</u> for your facility. Note that your facility compliance status may be subject to further review by the District Program Office.

The assistance you provided is appreciated. The inspection checklist and its comments section are enclosed. If you have any questions, your local contact is Tracy White at 850/488-3704 or tracy.a.white@dep.state.fl.us.

Sincerely,

Maclane Castellanor
