Ms. Erin Christie Environmental Director Ready Mix USA, LLC Post Office Box 101868 Birmingham, Alabama 35210

Dear Ms. Christie:

A Department representative inspected your facilities to determine compliance with the Air Quality Operating Permits. The program identification numbers for these facilities are **0730069**. The permit **expires on 9/11/2010**. This letter applies only to activities covered by the Air Resource Management Program.

Based on the inspection results, the Tallahassee Branch Office reported a status of <u>In-Compliance</u> for your facilities. Note that your facility compliance status may be subject to further examination by the District Program Office.

The assistance you provided is appreciated. The inspection checklist and its comment section are enclosed. If you have any questions, your local contact is Tracy White at 850/488-3704 or tracy.a.white@dep.state.fl.us.

Sincerely,

Marlane Castellanos

<b>COMMENTS:</b> I met with Mike Ekbeng. The plant was not in operation. Two storage silos with filter units were present. A batcher baghouse was present. A curtain was in place around the drop point. Duct work appeared to be maintained. No changes were noted for equipment. No yard dust issues were noted.				
The last compliance testing was completed on 6/09/2009.
