COMMENTS: New owner needs to submit a new application for an Air General Permit as permit does not transfer to new owner. New owner, Jeff Dierkshe, is putting application in the mail today to DEP Main Tallahassee office. Corrected yearly rolling PERC total to 121.5 gallons. Will also attach list of E.P.A. recommended halogen leak detector units that will be required for conducting leak checks at existing facilities after July 27, 2008 to this report that is to be e-mailed to the new owner.
