COMMENTS: In a compliance inspection on 11/22/2011, AQD staff (E.Susky) observed operations at One Price Dry-Cleaning The facility has one PERC dry-cleaning machine. The corporation has changed and the owner is FAMBC Operators, LLC. AQD staff will refer to licensing. Mr. Luis Cuestas (owner) was present during the inspection and his manager accompanied staff on the inspection. The drums of hazardous materials did not have accumulation dates on them and items were stored on top of them. The facility is using its FDEP dry-cleaning calendar, but a few months were not filled out completely.
