<b>COMMENTS:</b> In a compliance investigation conducted on	10/15/2013, AQD staff (E.Susky) observed operations at Sun	shine			

**COMMENTS:** In a compliance investigation conducted on 10/15/2013, AQD staff (E.Susky) observed operations at Sunshine Cleaners located @ 6734 North University Drive, Tamarac, FL. The owner (Rajendra Chauhan) was present for the inspection. The facility has one PERC dry-cleaning machine. The housekeeping is very good. There was metal plating observed beneath the spotting board, the REMA vacuum was observed in containment, and the drums of hazardous materials were observed in secondary containment. Mr. Chauhan keeps his FDEP dry-cleaning calendar updated and his PERC receipts and waste manifests available for review.
