**COMMENTS:** Assefa Hailemariam from Orange County (EPD) met Zach Beatty, representing Beatty Environmental, as well as Yoel Pino, Plant Manager for Preferred Materials Inc, at 7400 Narcoossee Road, Orlando Florida. Dust collector VE was audited on this date for the cement silo and fly ash silo(EU001),and the truck loadout/Batching(EU002). All the loading rates were acceptable and observed opacity was zero percent for all emission units. All the main roads inside the facility were wet, no dust or PM was leaving the property and no objectionable odors were noted during the inspection. Facility workers were also present during the VE test.
