COMMENTS: On March 4, 2011 I visited this facility to conduct the annual compliance inspection. On site I met Margarita Lopez, the manager of the facility. According to Robert Safstrom, the owner of the facility, the Dry cleaning machine has been inactive for the past six months. He is mostly performing wet cleaning. All the dry cleaning works are done at Giraldo Dry Cleaners (AIRS ID # 0250930) as drop off. No leaks were detected in the dry cleaning machine.
