**COMMENTS:** In a compliance inspection conducted on 1/31/2007, AQD staff observed activities at Dry Cleaning Depot @ 1550 E. Commercial Blv., Fort Lauderdale, FL. AQD staff (E. Susky) was accompanied by Carlos Angulo (Manager) and Jose (asst.). The facility has two dry-cleaning machines and keeps accurate records on both machines. Houskeeping was excellent. AQD staff later in the day informed the facility that their entitlement had just expired and a new application must be submitted.
