COMMENTS: On June 22, 2010, Ms. Danielle D. Owens of FDEP comducted a Level 2 compliance inspection at the subject facility. Ms. Owens made contact with Manish Patel. Mr. Patel accompanied Ms. Owens on a walkthrough inspection of the facility and provided Ms. Owens with required records. The following potential non-compliance items were discovered: 1) The entitlement period for this facility expired June 2, 2010. At the time of this inspection the facility was operating without entitlement. Ms. Owens gave Mr. Patel a Perchloroethylene Dry Cleaner Air General Permit Notification Form to complete and submit to the Department.

Corrective Action: Facility submitted the notification form to the Department. It was received on June 28, 2010 and under went the thirty day review period. Entitlement was issued on July 29, 2010 and expires July 29, 2015.
