COMMENTS: 03/10/2008 Visited site to see if facility has or is required to have a permit. Spoke with Wilma (counter help). Wilma stated facility chaged form perc machines to hydro carbon years ago. Wilma called owner Don Golden on the phone . I spoke with Mr. Golden and he stated the same. I asked if I could look at the machine and get some informatioin off the machine. Wilma and Mr. Golden agreed. Mr. Golden stated he bought the Union hydro carbon machine in July 2002. I looked at the label the Model # is Union HP840 . Came back to office found that a permit was inactivated around August 2003.
