COMMENTS: Owner did not have last year calendar filled out during the annual inspection conducted on this date. Owner showed me last year calendar (2008) but it was not filled out. Owner provided receipts of perc purchase and a halogen leak detector. I told the owner that I would return at the end of this month to make sure that the calendar had been filled out properly and completely. I left the annual compliance certification form with the owner to fill out and send back to me.
