COMMENTS: In a compliance inspection conducted on 02/25/2014, AQD staff (E. Susky) observed operations at Living Color, Ent. The facility makes customs aquariums. The facility has two open spray booths, one large closed spray booth and two small open spray booths that they utilize sporadically. Mr. Jose Blanco accompanied staff on the inspection. Housekeeping was good throughtout the facility. Mr. Blanco then emailed their polyester resin usage to the department and the facility is below their permit threshold (4500 lbs of polyester resin).
