**COMMENTS:** On December 1, 2010 I visited this facility to conduct the annual compliance inspection. The correct address of this facility is 18745 S Dixie HWY, not 18245 S Dixie HWY. This facility is no longer in business at the said location. However, signs posted on the door indicated that this facility moved to 18729 S Dixie HWY. Therefore, I visted the new facility and met Kisbel Diaz, the front office attendant. The new facility is currently operating as a drop store.
