**COMMENTS:** In a compliance inspection conducted on 09/28/2012, AQD staff (E.Susky) observed operations at Nasca Body Shop. The facility has one automotive spray booth that it utilizes, haz-mat storage and offices. Mr. Nasca accompanied staff on the inspection. Housekeeping was just okay. Tires were observed to need to be removed (Mr. Nasca later had the tires removed and send AQD staff a receipt of the removal).
