Northwest District 160 W Government St., Suite 308 Pensacola, Florida 32502-5740 RICK SCOTT GOVERNOR

JENNIFER CARROLL LT. GOVERNOR

HERSCHEL T. VINYARD JR. SECRETARY

January 28, 2013

By Electronic Mail, Received Receipt Requested jerrylong@panhandlepaving.com

Mr. Jerry Long Vice President Panhandle Grading & Paving, Inc. Post Office Box 3717 Pensacola, Florida 32516

Dear Mr. Long:

On January 18, 2013, a Department representative with the Air Resource Management Program inspected your facility, ID 7775283. A copy of the inspection report is enclosed. The inspection and a review of Department records indicate the facility was in compliance at the time of the inspection for those items specifically noted in the inspection report.

This letter applies only to activities covered by the Air Resource Management Program. If you have any questions, please contact Chris Stoll at 850.595.0654 or e-mail <a href="mailto:christopher.stoll@dep.state.fl.us">christopher.stoll@dep.state.fl.us</a>.

Sincerely,

Carol Melton

Air Compliance Supervisor

of the owner/operator to prevent re-entrainment, and from building or work areas to reduce airborne particulate matter? N/A  e) Reduction of stock pile height, or installation of wind breaks to mitigate wind entrainment of	Yes	☐ No
particulate matter from stock piles? \[ \] N/A	⊠ Yes	☐ No
2. If reasonable precautions <u>not</u> being taken:  a) Did the inspector perform a general VE test (20% opacity)? N/A  b) If tested: ()% opacity. Were the visible emissions < 20% opacity?  c) What caused the problem(s) (if known)?	☐ Yes ☐ Yes	⊠ No □No
CONFIRMATION OF GENERAL PERMIT ELIGIBILITY	(check 🗹 box for each o	only one
Does this facility keep records to show that it does not have the potential to emit:     a) 10 tons per year or more of any hazardous air pollutant?     b) 25 tons per year or more of any combination of hazardous air pollutants?	X Yes - X Yes	No
c) 100 tons per year or more of any other regulated air pollutant?	- X Yes	□No
2. Does this facility include:  a) any emission units or activities not covered by the applicable air general permit (with the exception units and activities that are exempt from permitting pursuant to subsection Rule 62-210.300(3) or Rule 62-4.040, F.A.C.)?  If YES, what non-exempt units or activities?	n of or	□No

3. Is the total combined annual facility-wide fuel usage of all plants less than or equal to:  a) 275,000 gallons of diesel fuel?  b) 23,000 gallons of gasoline?  c) 44 million standard cubic feet on natural gas?  d) 1.3 million gallons of propane?  e) or an equivalent prorated amount if multiple fuels are used onsite (use equation below)?  ( ) gal diesel/yr + ( ) gal gasoline/yr + ( ) MM SCF nat. gas/yr + ( ) MM gal proparation for each consecutive 12-period for the past 5 years?		No  No  No  No  No
GENERAL CONDITIONS  1. Has the owner or operator allowed the circumvention of any air pollution control device, or	(check 🗹 box for each	only one question)
Allowed the emission of air pollutants without the proper operation of all applicable air pollution control devices?	Yes	⊠No
a) maintain the authorized facility in good condition?     b) ensure that the facility maintains its eligibility to use the air general permit and complies with all	- 🛚 Yes	□No
terms and conditions of the air general permit?		□No
to the facility at reasonable times to inspect and test and to determine compliance with the air general permit and Department rules?		□No
<ul> <li>RELOCATABLE PLANT</li> <li>1. The facility: ☐ is stationary; ☒ is relocatable; or ☐ consists of both stationary and relocatable NMMP and/or concrete batching plants. (If only stationary, skip the following questions 2 and 3.)</li> </ul>	(check <b>v</b> box for each	only one question)
<ul> <li>2. For a relocated NMMP plant:</li> <li>a) did the owner or operator notify the appropriate Department or Local Air Program by telephone,</li> <li>e-mail, fax, or written communication at least one business day prior to changing location?</li> <li>b) did the owner or operator transmit a Facility Relocation Notification Form [DEP No. 62-210.900(</li> <li>to the Department or Local Air Program no later than five business days following relocation?</li> </ul>	6)]	□No
3. If the relocatable NMMP plant was co-located at a facility with a separate air construction or air operate permit, and the relocatable NMMP plant is not included as an emissions unit in that separate permit:  a) was the relocatable NMMP plant being used for a non-routine purpose?	- ☐ Yes	⊠No
If YES, were any periods more than 6 months in any consecutive 12-month period?	Yes	⊠No

<u>CHANGES</u>	(check ☑ only one box for each question)				
Administrative Changes:	DON TOT CHOIL question,				
1. Were there any changes in the name, address, or phone number of the facility or authorized representative not associated with a change in ownership or with a physical relocation of the facility or any emissions units or operations comprising the facility; or any other similar minor administrative change at the facility? Yes Yes If YES, did the facility provide written notification within 30 days of the change?					
New or Modified Process Equipment or Change in Ownership:					
3. Since the last registration form submittal has there been					
a) Installation of any new process equipment?	Yes 🗵No				
b) Alterations to existing process equipment without replacement?					
c) Replacement of existing equipment with equipment that is substa					
d) A change in ownership?	Yes 🗵No				
<b>4.</b> If the answer to any question 3a. – d. is YES, was a new registration					
30 days prior to the change?	YesNo

	<b>COMMENTS:</b> On January 18, 2013, Department personnel conducted a routine compliance inspection of the Panhandle Grading & Paving Crusher located at the Group III asphalt plant in Santa Rosa County.				
The crusher was not in operation at the time of the inspection. Records	of fuel usage and material processed are being maintained.				

Visible emissions tests were last performed on December 19, 2012, with passing results. No fugitive emissions were observed during the inspection.
