INSPECTION FINDINGS			
<p>Facility scheduled a Visible Emissions (VE) Test for this day, but the company's consulting firm failed to cancel the testing with the Department. Cremation Tort operator, Mr. Ronnie Hicks, stated the VE Testing was supposed to be last Friday, but Mr. Dean Meyers did not show up. A compliance inspection was not conducted during this visit because the cremation unit was not operating. I committed to conducting an inspection when the facility reschedules their VE Testing. No photos were taken during this site visit.</p>
