INSPECTION FINDINGS

Inspected facility found that a concrete batch plant was being constructed w/o submitting ar GP Registration Form.

This facility is on the corner of Softwind Drive and Hudson Avenue in Pasco County.

Gave Mr. Romancky all the information he needed to apply for GP.

Mr. Romancky asked me to call his wife because they hired BCI to apply for permit.

On 06/27/2007 I Spoke with Mrs. Romancky she found out that the engineer doing the work left BCI and no one followed up to continue with the submittal of an application. Mrs. Romancky just hired Southern Environmental Sciences to do the work. She send in registration form ASAP.
