COMMENTS: No Startup/Shutdown/Malfunction Plan (S/S/M) was posted or available at the facility. Owner stated he does have a partially completed S/S/M Plan at home on the computer, but was having problems with his computer. Owner will complete the S/S/M Plan to be posted on site and submit a copy of the plan to the Department's South District Office by mail or fax within two weeks time to verify compliance with the facility's general permit requirements.
