Joseph V. Panetta  07.28.2011  
Inspector's Name Date of Inspection

**COMMENTS:** Met with Ron Wohlfiel. We walked out to the the screener which was not in the use at this time. Ron Wohlfiel stated the screener is a stand alone screener and has only operated this screener at the P.A.W. yard on S.R. 54. Since this screener is not connected to or with any crusher so a VE is not required.
